Voytek Bobak D.M.D., M.S.

Our office is designed to make your orthodontic treatment a convenient and enjoyable experience. Beginning with your initial contact with us, throughout treatment and in your post-treatment retainer years, we strive to develop a long-lasting pleasant relationship with you. Orthodontic specialist Dr. Bobak personally diagnoses each individual case in order to ensure the best treatment plan options available. We utilize state-of-the-art digital radiography and sterilization techniques.

*Terms and Conditions Apply. Upon beginning active treatment, new patient will receive \$100 discount on Phase I treatment or \$200 off full treatment Invisalign. \$50 gift card to the referring member upon new patient beginning active treatment; One offer per family and/or family member only, please.
